This home will suit many different buyers, be that a first home buyer, retiree, renovator, or potential developer.

Perfectly-located close to schools, Federation Uni, and kindergartens, this brick-veneer home offers a renovated kitchen with a separate dining area, two living rooms, two bedrooms each with built-in robes, and an updated bathroom. Reverse-cycle air-conditioners throughout plus a split-system keep this home comfortable all year. The home does, however, also offer great potential to convert into a bigger home to suit the whole family should you wish.

Completing this property is a single garage, and side access through to the large backyard with plenty of space to erect a large shed if required or even build a separate unit (STCA). It's the ideal property to turn into your dream home!
