

11 Dooen Road Horsham VIC

2 2 3

This could be the ideal project you have been searching for! Situated in a prime location, spend some time and money to restore this character home and reap the rewards. This home does need restumping but once done, you will be well on your way to having a perfect family home. Features include a laminex kitchen open to the dining room, a separate lounge with gas heating and evaporative cooling, two large bedrooms plus a small study area, and built-in robe and ensuite to the master bedroom. Outside is a large double carport, huge lined workshop with garage door if you need an extra car space, and lovely established gardens.
