It isn't every day that you come across a house such as this; a little different but will surely impress. This western red cedar A-frame home may just be what your family is looking for! Downstairs includes two living rooms, a beautiful timber kitchen with stone benchtops and a separate study. Upstairs there are three bedrooms with an ensuite to the master and the family bathroom. A large backyard with established gardens, a huge shed with great access, a double garage and a solar power system all complete this family home.
