REAL ESTATE

4 Birch Avenue Horsham VIC

Situated just a few blocks from the CBD is this large brick-veneer home with original decor set on approximately 686sqm. It's a very spacious home with generously-sized living areas, a huge kitchen area, four bedrooms and a study. The rear yard once had an inground pool which made way for more garden over the years. This is a ripping opportunity for anyone wanting to live centrally in a spacious home and add their own touch by redecorating and/or renovating.
